

KAPPA MU EPSILON - MATH CLUB
PRESENTS

L^AT_EX Workshop

Tuesday, 9/25 at 6:30

Pearce 124

Presented by Ben Salisbury

Join us as we learn about LaTeX, a document preparation system that is used to create beautiful math documents. The structure of a basic LaTeX document will be presented and attendees will be able to produce their own documents.

Attendees will learn all the necessary tools to use **L^AT_EX** for presenting their mathematics.

Please bring a laptop to the workshop

All are welcome to join us!
